***City of Kannapolis, North Carolina
Limited Obligation Bonds***

In accordance with N.C. Gen. Stat. §120-157.2(a), the City of Kannapolis, North Carolina (the "City") hereby notifies you of its intent to seek approval of the North Carolina Local Government Commission (the "Commission") (1) to finance a greenway (the "Project"); and (2) to pay certain costs incurred in connection with the execution and delivery of the financing for the Project.

Pursuant to N.C. Gen. Stat. §160A-20, the City and Kannapolis Capital Corporation (the "Corporation") have previously entered into an installment financing contract to finance a city hall and law enforcement center, improvements to property owned by the City to be used by the community college and infrastructure improvements to downtown area, construction and improvements to fire stations and the construction of a sports and entertainment venue (the "Contract"). To secure its obligations under the Contract, the City has granted to the Corporation and its assigns a lien on the real property on certain of the city hall and law enforcement center, fire stations and the sports and entertainment venue (the "Existing Collateral").

To finance the Projects, the City and the Corporation expect to enter into an amendment to the Contract and, in connection with such amendment, the Corporation expects to execute and deliver limited obligation bonds in a principal amount of approximately \$1,800,000 (the "LOBs"). The LOBs will be secured on parity with the City's existing obligations under the Contract by a lien on the Existing

Collateral. The LOBs will amortize over a term of approximately 15 years (or less if the City so determines). The City expects that it may enter into further amendments to the Contract to finance future projects of the City.

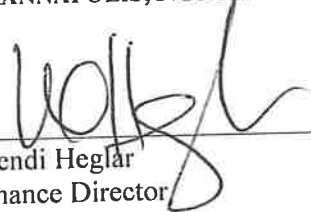

The obligation of the City to make the installment payments and additional payments under the Contract will constitute a limited obligation of the City, payable solely from currently budgeted appropriations of the City and shall not constitute a general obligation or other indebtedness of the City within the meaning of the Constitution of the State of North Carolina or a direct or indirect pledge of the faith and credit or taxing power of the City within the meaning of the Constitution.

The City expects that the North Carolina Local Government Commission (the "*Commission*") will consider for approval the City's proposal to finance the Project at the Commission's meeting scheduled for May 5, 2020 or such later meeting as the City and the Commission may determine.
